

# Hickory Nut Cake.

The recipe is below, and I hope you enjoy it as much as we do.

Cream together  $\frac{2}{3}$  cup Crisco, 2 cups sugar and 3 eggs;

Sift together 2 cups flour, 2 t baking powder and  $\frac{1}{2}$  t salt;

1 cup homogenized milk, 1 t vanilla, 1 cup chopped nut meats. Mix dry ingredients alternately with milk; add vanilla and nut meats.

Bake in 9 x 13 pan at 350° 45 min.

## FROSTING

1 $\frac{1}{3}$  cups brown sugar,  $\frac{2}{3}$  cup melted butter, 4 T cream (Pet milk may be substituted).

Stir until boils—boil 2 min. stirring occasionally. Remove from heat, add  $\frac{1}{2}$  cup nut meats. Beat and spread.

into his overalls pocket. "I know suburban sprawl is part of the American dream. We've all been raised to revere the virtues of the split-level house and the eight-lane expressway.

"But you've got to face economic reality," Mr. Bumpkin continued, waving his pitchfork at a nearby three-bedroom model. "Next year, as soon as my tractors can get through here, we'll be growing onions on that land, and they should be up to 89 cents a pound. These people will just have to move back to their city apartments. It's time we realized this is 1973. America must face up to the future, not dwell on bygone days."

"What will you plant where that yellow Cape Cod is now?" a reporter asked.
