CREDITOR (IF APPLICABLE) \_\_\_\_\_

on this contract for sale and change my planting intentions to another crop, I shall be bound to move the production from the  
this contract for sale through the NFO Commodity Program if an NFO program is available for that commodity. I agree to  
proper contract for sale.

hereby assign to the Trustees of the Trust, my entire right, title, and interest in each Agreement for the sale of grain, in-  
nd proceeds thereof which will arise out of the sale of my grain, and I authorize and direct NFO (as my Agent) to execute  
assignment.

authorized to borrow (in behalf of the Trust) from such lenders and on such terms and conditions as the Trustees deem ad-  
ecuring the repayment of said loans the Trustees may give lender or lenders security interests in the assets of the

sold and assigned by me to the Trustees, even though the sums borrowed may be paid to me by the lender, I shall remain  
and hold harmless the Trustees, my heirs, assigns, and the NFO from and against all claims, demands, damages, losses, and expenses
