

Aunt Eva's Salad

1 # vanilla wafers 1 cup sugar
 $\frac{1}{2}$ cup butter (melted) $\frac{1}{2}$ cup chopped nuts
1 small can shredded pineapple

Cream together the butter, sugar, pineapple and nuts. On a layer of vanilla wafers place part of the mixture, repeating until the wafers and the mixture are used up. Let stand in the refrigerator for 24 hours. Slice and serve with whipped cream. We put ours in the ice-cube trays when we make it. Fix it like you would scalloped corn.
